

Corporate Profile

- Formation:** AUI Contractors, LLC., was founded in Fort Worth in 1983 as Architectural Utilities, Inc. In 1998, the company changed its name to AUI Contractors in order to represent their expanding capabilities.
- Company Description:** AUI is a full-service general contractor and is fully bonded and insured. With typical sales revenues that average \$90 million, AUI is one of a few contractors in the Dallas/Fort Worth Metroplex with the ability to complete multi-million dollar projects in both commercial and civil divisions. We have executed projects using several delivery methods, including hard-bid, design-build, and construction management at-risk.
- AUI self-performs site work, site utility work, and structural and architectural concrete work in both commercial and civil divisions.
- Purpose:** To attract, develop, and retain exceptional people and partners who will pursue and construct significant projects with clients that are aligned with our core values.
- Vision:** To be recognized as a leader of diversified construction services, delivering on our commitments in pursuit of measurable excellence, founded on high quality, value, and integrity.
- Mission:** We will achieve our Vision by building trusting relationships, utilizing technology, and cultivating a team approach with dedicated, skilled personnel and partners in an atmosphere of respect, support, and accomplishment.
